

On-demand learning:

skills training when you want it, where you want it

Learning is essential to personal and professional development and growth, but busy schedules can get in the way. The Learning and Development team has made it easy to get the 'soft' skills you need to succeed in life and in your career. On-demand courses are free, quick, easily accessible and highly beneficial, no matter where you are in your career.

Get started today!

- 1 Visit hr.mc.vanderbilt.edu/secure/ondemand-learning on any computer, tablet or mobile device.
- 2 Log in to Skillsoft or My Quick Coach using your VUnetID and password.
- 3 View as many courses as you like. Exit a course and return later without starting over.

Course details
